

Confirmation of Manufacturing Start: Main Power Transformer

Date: January 20, 2026

To: Cottonwood Solar I, LLC

Re: Purchase Order CS1-MPT-001

We confirm that Cottonwood Solar I, LLC entered into a binding written contract with Northfield Power Transformers, Inc. on December 10, 2025 for one custom 138/34.5 kV main power transformer designed for the Project. The transformer is not held in inventory and is not a product we manufacture for stock.

Physical manufacture of the transformer, beginning with cutting and stacking of the custom core, commenced at our facility on December 22, 2025 and continued thereafter.

Northfield Power Transformers, Inc.
